A WORD FROM THE VICE CHANCELLOR

I take this opportunity to congratulate all graduands, parents and benefactors on this occasion of the 17th Graduation Ceremony of Busitema University. Today is a special day in your academic journey. We thank God for bringing you this far!. The journey has been long with a lot of challenges but that is part of the training you have achieved at Busitema University. Your resolve, commitment to personal growth, and the support of your families and friends has been critical to the completion of your journey. It is not only important to celebrate every achievement in life but equally important to remember and always acknowledge the contributions of society to our growth. Remember to give back to society in equal measure.

I am overly grateful to the Government, the University council, and staff who have contributed to the training program which you have gone through successfully.

During your stay at Busitema University, you have acquired new knowledge, skills and efforts have been made to impart in you a positive attitude towards work. It is our hope that you will put this to good use in the world of work. It should be noted that the work terrain is rapidly changing and requires lifelong learning skills which we have tried to impart. Some of you with support of your Lecturers took advantage of the conducive atmosphere at Busitema University to develop new innovations, publications and have received global recognitions. This should give you the momentum to continue growing as innovators in your respective fields of training for the world today is welcoming job creators and not job seekers

I encourage you to take advantage of every opportunity that will arise and allow yourselves to engage and enhance your newly developed critical thinking and problem solving skills. In this era, where the job market is very competitive, I commend you to take advantage of any available volunteering, apprenticeship and internship opportunities. This will exploit your talents whilst

accumulating the much-needed experience as you transit from the academic to the professional work environment.

After the Chancellor has conferred upon you the befitting academic Award, you are addressed as a Graduate of Busitema University. You acquire the status of an Alumnus, and a Member of the Busitema University Convocation. I urge you to take advantage as members of the Busitema University Convocation to support infrastructural development at your Alma Mater.

In addition to the knowledge and skills you have acquired, honesty and integrity are going to be key to success in whichever endeavour you will undertake. As we bid farewell to you today, I urge you to go out and make Busitema University proud. This is the time to rejoice, reflect and reposition yourself to chase your dreams.

Congratulations on this momentous occasion of your life.

Pursuing Excellence
